Hi, Jim. Attached is the recent letter agreement to transfer primary regulatory oversight responsibility for Area 40 from EPA to DTSC; currently Area 40 is a part of IOU (OU7).

This letter is just a draft and has actually completely changed format into a dual signatory agreement between EPA and DTSC. I will send out the most recent draft of this new agreement after our attorneys finish reviewing it. So this letter will not be sent, but the negotiated content of the stipulations has been carried through to the dual signatory agreement.

Per discussions this week, we'll keep the dual signatory agreement just between DTSC and EPA, with RWQCB mentioned as providing support to DTSC as needed.

Thanks,
Lynn
